WHO WE ARE

Prodel works from real needs, developing creative solutions, delivering professional services and products.

Prodel that offers High-Quality Solutions to the Delivery, Take-away & restaurant businesses. With Production Facilities, Offices & Warehouses in Europe, US, Middle East and GCC, we are close to our customers and can ensure the best services as well as the quickest & cost-effective product deliveries.

Prodel offers you a complete comprehensive solution for your delivery needs.

Our services and products are trusted by more than 500 international and national companies like Uber Eats, Deliveroo, Foodora, Wolt,, Pizza Hut, Mcdonalds, Dominos Pizza, Burger King, Baskin Robbins, and many more in many different sectors.

Prodel can help you achieve more by enabling you to deliver more items in a better condition and at a lower (CPDT) Cost Per Delivery Trip. This concept helps you better manage your deliveries and it is a unique feature of the Prodel Delivery System.

Our partners & distributors worldwide are all part of the prodel marketing system, where they are able to offer complete customizable solutions for your delivery needs and operations.
